Identify continuous improvement practices to support the implementation and delivery of council's outcomes.

**Work
Matters**

Operational Delivery

Provide guidance on the Health and Safety policies, procedures and systems necessary and sufficient to ensure the Council's compliance with the Health and Safety at Work Act 2015.

Provide support and advice to Council's Health and Safety Committee and attend meetings.

Support health, safety, and wellbeing programs, initiatives, and policies.

Monitor compliance with health and safety regulations and standards.

Support risk assessments and safety audits to identify and address potential hazards.

Support, investigate and document incidents, accidents, and near-misses, and recommend preventive measures.

Support, Council's Safety & Wellbeing induction and training framework.

Stay informed on current industry trends, regulations, and best practices in health, safety, and wellbeing.

Foster a culture of safety and wellbeing through open communication and engagement with all staff members.

Coordinate with other departments and stakeholders to integrate health and safety into all operations.

Share knowledge and best practices across the organisation.

Customer Centric

Maintain a customer centric focus, ensure services are delivered in an effective and customer focussed way, and that effective working relationships are maintained with key stakeholders.

Council Contribution

Actively and positively participate as a member of the Organisation Performance Group and perform all reasonable duties as needed.

Be a positive culture contributor.

Participate in Emergency Management activities.

Alignment with our community outcomes

We uphold Te Tiriti o Waitangi and its principles and recognise the role of Mana Whenua as kaitiaki of their rohe. We support them to maintain and enhance tikanga with their ancestral lands and waterways, wāhi tapu and other taonga, and build mutually respectful partnerships with tangata whenua, supporting whanau, marae, hapū and iwi in achieving their aspirations.

We contribute to improving our natural environment for current and future generations to enjoy, and protect the important natural features in our district.

We ensure our built environment supports the wellbeing of our people and manage competing pressures on resources sustainably.

We provide efficient, reliable and affordable infrastructure, developing and maintaining facilities and infrastructure to meet the needs of current and future generations. Our community facilities and infrastructure are resilient, helping us to respond to climate change and natural hazards, working with partners to develop infrastructure that enables growth.

We are business friendly, supporting diversity and resilience in our local economy and work with others to make our economy grow. We aspire for economic security for all of our people and seize growth opportunities for our district.

We value the diversity of our people, and how our district's heritage shapes our community's sense of identity and pride.

We provide infrastructure, services, facilities and places to build resilient and connected communities where people of all ages and backgrounds feel included and safe. We are building collaborative relationships with service providers to enable all people to live positive and healthy lifestyles, encouraging our people to participate in local decision making.
