## **Land Information Memorandum**

## Important Information

**About LIMS** 

The completed LIM report will include information found in Horowhenua District Council's records relating to the following matters:

- A summary of the rates account
- District Plan information including zoning and an indication of the status of intended use of the property
- Information identifying any special feature or characteristics of the land concerned
- Any natural or man-made hazards that may affect the property
- Building Consents/Permits and related information
- Other consents, licenses, certificates, requisitions, orders and notices affecting the land or any building on the land previously issued by Council
- Swimming pool compliance
- Information on private and public stormwater and sewerage drains on the property as shown in Council's records
- Status of Road Public, Private or Right of Way
- Type of water connection (if any) metered, on demand or restricted and any conditions relating to this connection/supply.
- Other information concerning the land that Council considers, at its discretion, to be relevant.

When should I obtain a LIM?

- If you consider purchasing a property in the Horowhenua District, it is recommended that you obtain a LIM before finalising the purchase.
- You will find a LIM useful in helping you decide whether the land is worth purchasing, free from any restrictions, and whether the intended use of the land is feasible.

To Apply:

- Complete and submit the application form
- Pay the associated fee to Council (see Fees & Payment Details)

Please note that required fields are identified with an \* and a green border.
