

Application for Building & Planning Approval for Licenced Premises

Section 100(f), Sale and Supply of Alcohol Act 2012

All licenced premises must have a current Building & Planning Approval Certificate. This certifies that the proposed use of the premises for the sale of alcohol meets the requirements of the Building Act 2004 and Resource Management Act 1991.

A Building & Planning Approval Certificate is required for all new premises licenses. A Certificate may also be required if you are making changes to your business or building and applying for a variation of licence conditions.
